# Foreword

As a lighthouse radiates its beam of light, guiding ships through perilous waters, so high school guides and prepares students for the rougher waters of life.

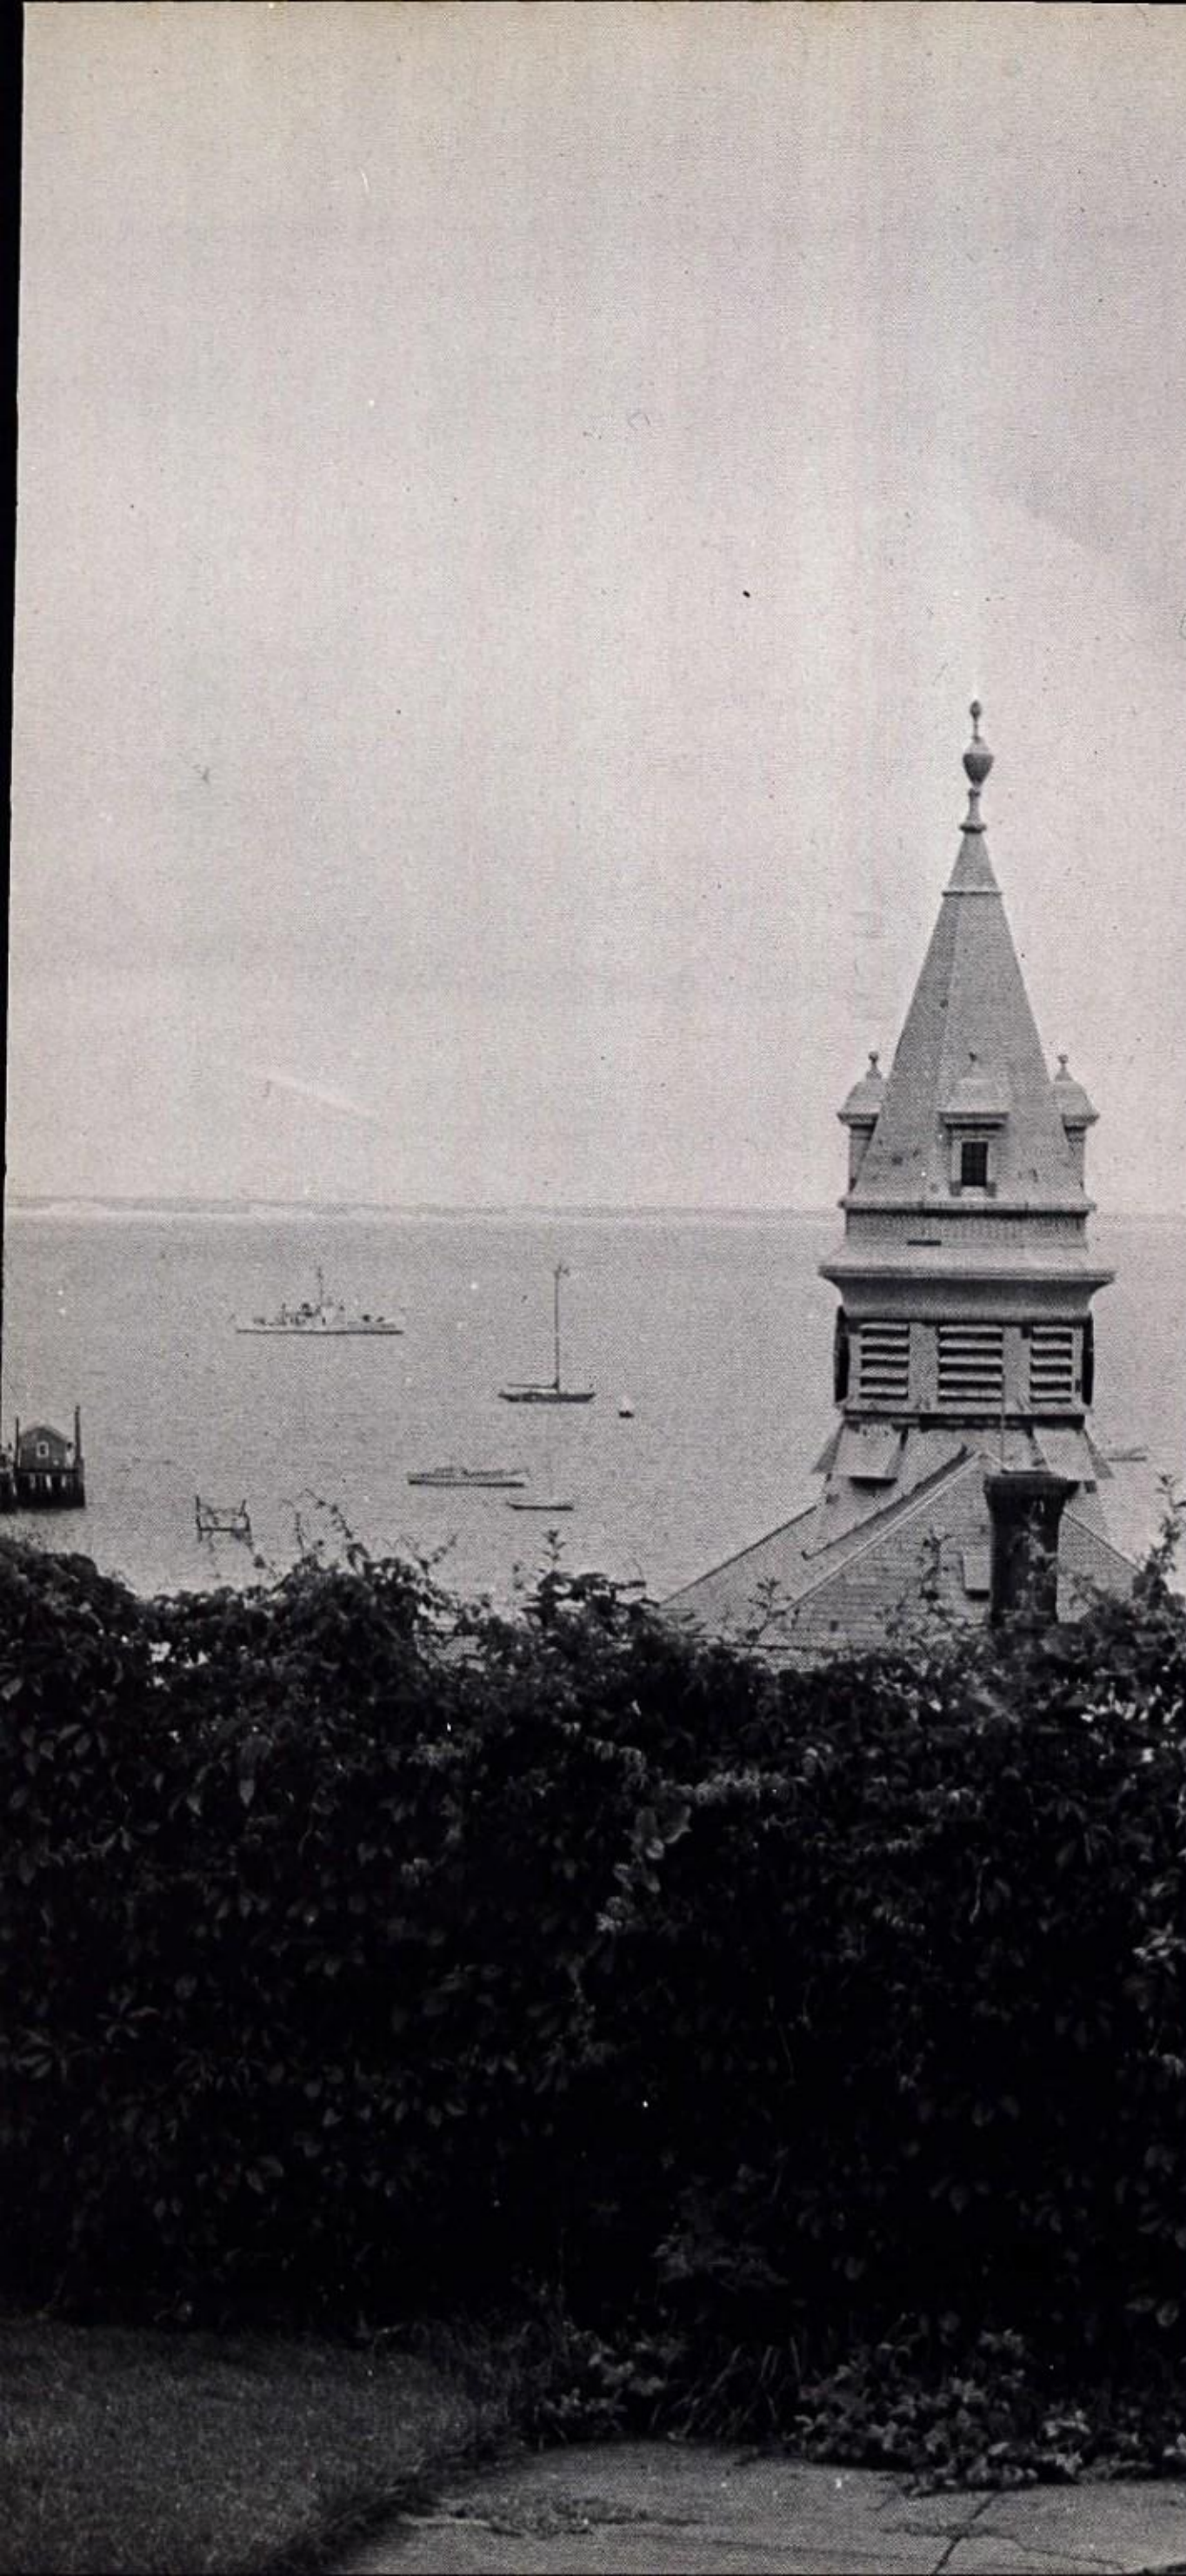

The Seniors are about to embark on a new lap of their journey through life. In this, the 1966 Quill, we wish all the Seniors Good Luck and Bon Voyage.

# Class History

## NINTH GRADE

As the class of '66 started into the last year of junior high, the following people were chosen as their class officers: President, Les Lanyon, Vice-President, George Kemmerer, and Secretary, Sherry Donato. To make money to add to the class treasury, the class sold cashews. The climax of the year, the "Cinderella Ball" was held in the cafeteria, during which Les Lanyon and Nancy Lohmann reigned as Prince and Princess of the dance. Promotion exercises were held in the gymnasium the day after the dance.

## TENTH GRADE

The biggest event of the class of '66 as sophomores was the annual trip to Gettysburg. Although the trip was to be an educational one, the class members had more fun teasing the congenial bus sponsors. At a class meeting early in the year, Andy Noble, Jeff Riley, and Marsha Phillips were chosen as class officers. As sophomores, it was a class responsibility to sponsor the Valentine's dance, "The Sweetheart Swing," which we did successfully. Marsha Phillips and Nancy Lohmann were chosen as May Day representatives that year. Eugene Zecker and Bob DeSantis served as respective escorts.

## ELEVENTH GRADE

The junior year of the class of '66 proved to be the most successful and a most enjoyable one. Les Lanyon was elected as class president again, with Joe Rupert as Vice-President, and Nancy Lohmann as Secretary, to help him carry the heavy load that was to be our responsibility that year. To raise money we sold Franklin sweatshirts, and we held a bake sale during the class play. The junior dance, "Bewitched," was a success and a unique idea of serving cider and donuts at the dance was established. The Junior Class Play, directed by Mr. Jacobs, was "The Night of January 16th." Judy Grable and Autumn Justice with Alan Bates and Eugene Zecker as escorts represented the junior class in the May court. The most successful event of the year was the Junior Prom, "Carousel." The committee of forty people began planning in early March for what was to be the "most successful prom in five years." Gerry Regrut was Prom Queen and Vicki Dubrock was Prom Princess.

## TWELFTH GRADE

To end their high-school days, the class of '66 chose Mark Bush, Joe Rupert, and Nancy Lohmann to lead them to their final goal—graduation. The two senior dances were "Plymouth Rock," and "Noel By Night." To make money the seniors sold license plates, and sponsored a bake sale during the class play. "The Man Who Came To Dinner" the successful play, had as leads Rex Peppel and Nancy Lohmann. Elaine Hoener and Joe Rupert, the "might-mites," were chosen as Student Council leaders who did a fine job of governing the student body. End of the year activities for which the seniors are eagerly awaiting are the Washington trip, and the senior banquet.

## CLASS OF 67

The Junior Class, with officers Paul Brunning, Donna Meyer, John Ferguson, worked hard to meet the responsibilities of a demanding year. To earn money for the prom, the juniors sold blue and gold panthers and live mice at the class play. They sponsored the "Goblins A Go-Go" Halloween dance. The class worked well together to meet their many challenges.

At a class meeting early in the year they chose the following people for their class leaders: President—Joe Trabucco, V. President—John Ptasczkiewicz, and Sec.-Treas.—Nancy Funk. Even though the sophomores were the youngest class at Franklin this year they managed to fit in well and become well-adjusted to the activities of the senior high. They managed to have a successful candy selling campaign, and they also produced a fine Valentines Dance entitled "Sweethearts on Parade."

The Majorettes, with captain Conner Barker and co-captain Vicki Dubrock, have done much in the line of providing entertainment for the student body this year. These girls performed at all the football games along with the band and marched in all the parades in which the band was asked to participate. The majorettes also performed some fancy twirling routines at pep-rallies and at the annual Stadium Review. The girls could be found in the hot month of August practicing daily and faithfully along with the band. The majorettes did a fine job of displaying their talent to the student body during the 1965-66 season.

# Band

## BAND

The Franklin Area Panther Band, under the direction of Mr. Donald Green, and student director, James Dash, experienced a "first" in their marching career this year. The 80-member Panther Band marched in the televised Thanksgiving Day parade in Pittsburgh. It was an experience the band members will not soon forget. Besides this parade, the band marched in a parade celebrating the centennial of a town called Bolivar. The band presented precision drills at all of the football games, and pregame shows at all of the home football games. Our Panther Band also appeared at pep-rallies, community affairs, and the Stadium Review. Besides all of the marching performances, the band also had three successful concert presentations: the Christmas Concert, the "Pops" Concert and the Spring Concert. The newly formed Color Guard also marched along with the band on the field and in the parades. Without a doubt, the Panther Band enjoyed a successful year.

# Foreign Exchange Student

March 9, 1966

Dear Student Body:

Unfortunately as it has been said, "all good things must come to an end" and thus it is with my stay in the United States. The days have passed rapidly and every moment is filled with unforgettable experiences. Now, with tears in my eyes and memories in my heart, I will soon leave my second country, my second home.

As my departure becomes closer and closer, I look back and wonder how it is possible. It is not a dream but a wonderful reality getting to live with such a nice family, meeting helpful people and attending the most friendly school. I will be forever grateful to the American Field Service, my American family, The Bentes, the school faculty as well as the students who have done so much for me; but what I will remember most is the love and friendliness they have given me.

These memories I treasure in my heart are not to be locked away and forgotten but relived over and over with my Peruvian friends to encourage closer relations between our two countries. So at this point I would like to invite you to my country where you will always be welcome.

Peru and the United States have many things in common but each have individual views that are unique to the requirements of that country. However, the main common factor is that both countries have the desire to give the best to their people . . . I learned that people are the same in this wide world and that language and distance are the only barriers. Everyone has something to learn from the next person and something to offer him. The universal language of the world is LOVE and this is beautifully described with the motto of the American Field Service Program:

"Walk together, talk together,  
O Ye people of the earth:  
Then and only then  
shall Ye have peace."

Hoping you will remember me,

# Junior Prom

The prom sponsored by the Class of '66 turned out to be one of the best, if not the best, Franklin has ever had. The theme of "Carousel" was executed beautifully with colors of pinks, lavenders and blues. The after prom party was held at the Red Rooster. The night proved to be a complete success.
